- This Prescription Form is used when ordering a **single** wheelchair (with accessories) in a particular configuration.
- All parts that are included in standard configuration are marked with a bold lined tickbox (). These will be delivered with the wheelchair if no other option is selected.
- For further information on different configurations and accessories, see the Prescriber Information (doc.nr. 95715-1) and each specific Info Sheet. User manuals and assembly instructions are also available at hdrehab.com.

ALTERNATE CONFIGURATIONS

Alternate configurations of HD Balance wheelchairs must be evaluated for risk. Evaluate if there is an increased risk of tipping and/or pinching for the particular user with the desired modification. If there is increased risk, make an informed decision as to whether the alternate configuration is still warranted. **Inform everyone involved about the risks.**

12. BALANCE POINT

Info Sheet 95942-1 Balance Point
